

“Closing the gap on preventable law enforcement death”

- Designed by a veteran police officer in combination with experts in trauma care to include the necessary supplies to treat a life threatening injury
- Each Pak measures approximately 5” X 7” X 1/2” and weighs less than 7 oz. - specifically designed to fit inside the trauma plate pouch of concealable body armor or uniform pants pocket
- In conjunction with our 1 day *Field Trauma Care for Police Officers* training and 2 day *Law Enforcement Tactical Trauma Course*, Pelham Tactical hopes to close the gap on preventable law enforcement death
